

Seasonal menu pricing

The autumn menu needs prices that stay within our margin target.

Key points:

- Croissant price is 3.20 pounds in the current draft.
- Finance asked for 3.50 pounds to protect margin on butter.
- The pumpkin loaf is priced at 4.10 pounds in every shop.

Tasks:

- Agree the croissant price with finance
- Print the autumn menu boards

Decision: Croissant price is still open: 3.20 or 3.50 pounds.
