

Supplier contracts: flour and butter

Two suppliers cover most of our baking volume.

Key points:

- Flour contract renews on 1 January with a 4 percent price rise.
- Butter supplier offers a fixed price for six months if we commit to 2 tonnes a month.
- Both suppliers deliver on Tuesdays and Fridays.

Tasks:

- Compare the two butter offers
- Confirm the Friday delivery slot

Decision: Sign the six-month butter contract if the minimum volume holds.
